Subject: SAGES Course endorsement approved

Dear Dr. Mishra

On behalf of the Continuing Education Committee and the Board of Governors of SAGES I am delighted to inform you that your institution has been granted SAGES Endorsement. SAGES endorsement must be renewed if you intend every year. Endorsement is only for the course dates on the application and expires one year from the date of this letter.

On any brochures or handouts on which you would like to cite that the courses are endorsed by SAGES, please use the following statement in its entirety:

"This course meets the guidelines as established in the "Framework for Post-Residency Surgical Education and Training" and is endorsed by the Society of American Gastrointestinal Endoscopic Surgeons (SAGES)."

We will place announcements about your courses in our upcoming issue of SCOPE (the official SAGES newsletter) and on our website, as well as sending information about your courses to anyone who calls to inquire about laparoendoscopic courses.

We congratulate you on organizing what promises to be some excellent educational event.

Sincerely,

Daniel J. Scott
Chairman, Continuing Education Committee
