

**REPORT OF THE INSPECTION COMMITTEE ON ITS VISIT TO THE
GLOBAL OPEN UNIVERSITY NAGALAND
ON 29th AND 30th JULY 2010**

UNIVERSITY GRANTS COMMISSION

REPORT OF THE INSPECTION COMMITTEE ON ITS VISIT TO THE GLOBAL OPEN UNIVERSITY NAGALAND

ON 29th AND 30th JULY 2010

I. Background of the Institution

The Global Open University Nagaland has been established under the provisions of The Global Open University Nagaland Act 2006 of the Government of Nagaland. The University is operating from Dimapur in a Campus allotted by the Government of Nagaland since April 2007. The University's Campus was inaugurated by the Chief Minister of Nagaland, Hon'ble Shri Neiphiu Rio on 5th June 2007.

The Global Open University Nagaland has designed a masterplan paradigm for launching different job oriented and vocational courses for solving the problems of unemployment in the North East.

The State Government has supported the action programmes of the University and has co-operated by way of acquiring the required land (83 acres approx) for the main Campus of the University at Dimapur.

The Global Open University Nagaland has been found to be pioneer in bringing out different important publications including multi-volume Encyclopaedias on new as well as emerging subjects. These Encyclopaedias include 10 volume Encyclopaedia of Intellectual Property Rights; 10 volume Encyclopaedia of Bioinformatics; 12 Volume Encyclopaedia of Total Quality Management; 12 volume Encyclopaedia of GIS and Remote Sensing; 10 volume Encyclopaedia of Habitat and Population Studies; 10 volume Encyclopaedia of Geriatric Care; 10 volume World Encyclopaedia of Interfaith Studies; 10 volume Encyclopaedia of Criminology; 10 volume Encyclopaedia of Forensic Science; 12 volume Encyclopaedia of Disaster Management; 12 volume Encyclopaedia of Sustainable Development; 10 volume Encyclopaedia of Disarmament Studies; 10 volume Encyclopaedia of Peace and Global Security etc.

The Global Open University Nagaland is a joint venture between the Government of Nagaland and the International Charity : World Institution Building Programme incorporated as a Public Charitable Trust. This is an unique example of Public-Private Partnership (PPP). While the State Government keeps on giving Grants-in-Aid by way of sponsoring the students from Nagaland by paying their fee, the Sponsoring Agency for the University i.e. the World Institution Building Programme (WIBP) has provided Rs. 7 Crore as the Corpus Fund in the name of The Global Open University Nagaland. The WIBP has also kept a reserve of Rs. 8 Crore for developing the Campus of the University for the current financial year. More funds have been assured by the WIBP for the overall growth of the University.

In view of the provisions of the UGC Act 1956 and the UGC Regulations 2003, the University Grants Commission, New Delhi has been making on the spot inspection of Privately Funded State University to assess their academic and physical infrastructure. Accordingly, the Chairman of the University Grants Commission (UGC) constituted an Expert Committee consisting of the following with a view to having on the spot inspection of The Global Open University Nagaland on 29th and 30th July 2010.

II. Composition of the Expert Committee

	NAME & ADDRESS	DESIGNATION
1.	Prof. M. Madaiah Former Vice Chancellor Mysore University 706, 17th Main Saraswati Puram Mysore - 570 009	Chairman
2.	Prof. P.K. Kotia Professor and Head Department of Economic Admn. and Financial Management Rajasthan University, Jaipur - 320015, Rajasthan	Member
3.	Prof. W.N. Gade Head, Department of Biochemistry University of Pune Pune - 411 007, Maharashtra	Member
4.	Prof. K.K. Baruah Dean, School of Energy, Environment and Natural Resources Department of Environmental Sciences Tezpur University Napaan, Sonitpur, Assam - 781 028	Member
5.	Prof. N. Deva Singh Department of Geography Manipur University Imphal - 795 003, Manipur	Member
6.	Shri P.K. Sharma Under Secretary University Grants Commission Bahadurshah Zafar Marg New Delhi- 110002	Member Secretary

The Expert Committee headed by Prof. M. Madaiah visited The Global Open University Nagaland at Dimapur on 29th and 30th July 2010. Before going into the details of the documents of the infrastructural facilities available at the University, Prof. M. Madaiah, Chairman of the Committee and Shri P.K. Sharma, Member Secretary of the Committee briefed the Members of the Expert Committee about the detailed proposal of The Global Open University Nagaland for inclusion in the list of recognised university maintained by the University Grants Commission (UGC).

Prof. Dr. Priya Ranjan Trivedi, Pro Chancellor and Plenipotentiary of The Global Open University Nagaland received the Members of the Expert Committee in the University Campus. After welcoming the Members of the Expert Committee and introducing the Senior Staff Members of the University, a Power Point presentation was made by the Pro Chancellor and his team Members depicting the activities, programmes and infrastructural details of the University besides its aims, objectives, initiatives and salient features of the University offering open and distance education programmes specially in the new and emerging fields for the vocationalisation of careers in the North East.

Prof. M. Madaiah, Chairman of the Committee and other Members visited and inspected the facilities with regard to instructional material preparation, development and trainee besides the library, laboratories, classrooms, seminar halls etc.

The Committee found that there are around 100 Bachelor's, Master's, Diploma and Post Graduate Diploma courses being conducted under distance education mode. The study materials were available for all the courses being offered by the University.

Special mention may be made of the new programmes in the emerging fields being offered like Master's Degrees in

- (a) Disaster Management
- (b) Sustainable Development
- (c) Environmental Sciences;
- (d) Habitat and Population Studies
- (e) Global Warming Reduction

- (g) Intellectual Property Rights
- (h) Yoga
- (i) Health Care and Hospital Administration
- (j) Mental Health
- (k) Counselling
- (l) Psychotherapy
- (m) Forensic Psychology
- (n) Dalit Studies
- (o) Tribal Development
- (p) Peace and Global Security;
- (q) Disarmament Studies
- (r) Entrepreneurship
- (s) Geriatric Care
- (t) Rural Development
- (u) Ecotourism
- (v) Ethics
- (w) Geoinformatics
- (x) Bioinformatics
- (y) Good Governance
- (z) Anti-Terror Laws

The Members of the Expert Committee appreciated the unique developmental work being done by The Global Open University Nagaland in the remote area of North East and gave suggestions for improving different systems being practiced at the University. Different documents including those related to the acquisition of land, corpus fund and the fixed deposits, minutes of the meetings of the Governing Council, the Executive Council and the Academic Council of the University were also perused.

It was observed that The Global Open University Nagaland is functioning from the State Government owned campus leased out to the University where as 83 acres of land has already been acquired for the purposes of the main campus of the University. The University has a total deposit of Rs. 15 Crore (Rs. 7 Crore as the Corpus Fund and Rs. 8 Crore for development of the campus) and has plans to develop the University into a Centre of Excellence in the coming years.

Report of the Expert Committee is enclosed vide Annexure -I.

III. Inspection Report

	PARTICULARS	DETAILED INFORMATION
1.	Name of the University with Notification Number and Date	The Global Open University Nagaland. Established under The Global Open University (Nagaland) Act 2006 (Act 3 of 2006) of the State Government. Notification Number Law / Act-10/2006 issued by the Deputy Legal rememberancer of the Government of Nagaland on 18 September 2006. The said Act received the assent of the Governor of Nagaland on 30/8/2006 and was published in the Nagaland Gazette Extraordinary on 18 September 2006. Copy of the Gazette enclosed vide Annexure - II.
2.	Registered Office of the University	Dimapur - 797 112, Nagaland
3.	Name and Headquarters of the Society/Promoting Agency	World Institution Building Programme (A Public Charitable Trust) A 15, Paryavaran Complex South of Saket New Delhi- 110030

	PARTICULARS	DETAILED INFORMATION
32.	Whether the Faculty Members organised or attended International / National Conferences / Workshops ? If so, give details.	The University and its Faculty Members are actively engaged and involved in attending and organising national as well as international congresses, conferences and workshops. The details are given in Annexure - XII.
33.	Linkages with other Institutions (National and International), give details.	The University as linkages with National Organisations and Institutions like the Indian Institute of Ecology and Environment, Indian Institute of Disaster Management, AgeCare Council of India, Indian Institute of Geoinformatics, Indian Institute of Bioinformatics, Dr. Zakir Husain Institute for Non-Formal and Continuing Education.
34.	Whether Non-Teaching Staff appointed ? If yes, give details	At present, a good number of administrative and technical staff is on the rolls of the University. Details are given in Annexure - XIII.
35.	Whether University is following UGC Pay Scales for Teaching Staff.	Yes, the University pays as per UGC Scale.
36.	Facilities for Faculty and Staff	The Faculty Members and other Staff Members are provided with all modern facilities which include the following : 1. Faculty Room 2. Computing and Internet Facilities 3. Encouragement for Research Work 4. Travel Grant for attending Congress / Seminars 5. PF and other related facilities 6. Maternity Leave for Female Faculty Members 7. A good working environment as per ISO 9001:2000 8. The Cafeteria is run in the form of a Training Restaurant managed by the Department of Hotel Management and Catering Technology of the University 9. Performance oriented rewards, compensations and bonus 10. Faculty Development Programmes
37.	Facilities for Students	Although The Global Open University Nagaland is an Open University where the students are mostly distance learners, however the full time students of Hotel Management and Catering Technology are provided with adequate facilities including meals prepared by the students under the expert supervision of trained Faculty Members and Supervisors.
38.	Sports and Games Facilities	In the new campus being developed, provisions has been provided for all types of outdoor and indoor games and sports including halls for yoga and meditation.
39.	Hostel Facilities, if any	All the students in the full time B.Sc. Degree in Hotel Management and Catering Technology are sponsored by the Government of Nagaland and they mostly belong to Dimapur. However hostel facilities will be provided in the new campus.
40.	Other Facilities at the available at the University/Institute(s)	All students (full time / part time / distance learners) are provided with the books and study materials.

VI. Observation/Suggestion of the Committee:

1. The Global Open University, Dimapur, Nagaland is currently functioning from a government building leased by the Government to the university. The university has already acquired through State Government 83 acres of land at a cost of Rupees Five Crore at a beautiful location. A perspective plan of The Global Open University Campus is being prepared and preliminary work like putting up of compound wall and Main Gate are in progress. The Management needs to move faster to create the infrastructure on the new campus.
2. The Global Open University has constituted various Statutory and academic bodies but these academic bodies like Board of Studies are not specific. Each discipline should have a separate Board of Studies.
3. The university is financially sound and there is prudent management of finances in the university.
4. The Pro-Chancellor, the Vice-Chancellor and the Registrar are very receptive to new ideas and have clear vision for the future development of the newly established university.
5. As compared to the number of courses offered, the teaching faculty is inadequate. The university needs to take appropriate steps to appoint more qualified teachers as per the UGC norms to strengthen the academic ambience and to improve the quality of teaching. The Committee recommends that the required teaching faculties be recruited within a year.
6. The university has yet to implement UGC 6th Pay Commission salaries to the teaching staff. The university has to act earliest for implementing the new pay scales. This would also enable this young university to attract good talents

for teaching and research.

7. Interaction with the teaching and non-teaching staff and the students indicated that they are very happy about the establishment and functioning of this new open university. The students felt that there was a need for such university in this region.
8. The university is running a regular hotel management course, at present, in the main campus. This course is run in a professional manner and it has attracted large number of local students. But the same cannot be said for other courses. There are no hostel facilities for boys or girls in the university. When the UGC Visiting Team interacted with these students, they apprised the problems and the need for providing hostel facilities with utmost urgency.
9. The university has been running many science and science-related courses in their academic programme. The UGC Expert Committee strongly feels that laboratory facilities need to be created on the new campus within a year or the university should take immediate steps to conduct practicals at other university or research laboratories to cater to the needs of students and to maintain good academic standards. Till the laboratory facilities are developed in the campus, science subjects (listed from page no.80 to 115 with tick mark subjects in the report) involving practicals should not be started/
10. The university should strictly adhere to the courses listed by the UGC. University introduced more than hundred courses some of which are not covered in the UGC list. Syllabus should be prepared as per UGC guidance.
11. Controller of Examinations for instance is also the Chairperson for Board of Studies for Life Sciences and allied subjects. Only academicians

- should be associated with the Board of Studies.
12. University should establish a Health Care Centre on the Campus.
 13. The university has quite a number of publications like edited volumes of encyclopedia and instructional materials. However, there is a total absence of critical research and publication of quality research papers in peer reviewed journals and periodicals.
 14. The library facilities need to be strengthened by adding more latest editions and new books in the respective disciplines. More standard journals need to be procured for the library. Adequate staff is not available in the library. The university has to earmark at least Rupees Fifty Lakhs every year for procuring books and journals. The Library needs to be computerized.
 15. The university has a computer lab. for Hotel Management Programme. The students have expressed the need for more computers with internet facility. The entire administration in the university need to be computerized.
 16. The Founders of this new university have a clear vision to develop the university distinctly by offering innovative and job oriented courses for the benefit of the students particularly from North East or Nagaland. In reality, only about 5% of the students belong to this region, and rest are from other parts of the country.
 17. There is no examination Cell on the campus. Compilation of results and printing of marks sheet is carried-out elsewhere. University has to immediately create infrastructure and recruit suitable staff to conduct this activity which is sensitive and involves confidentiality.

VII. RECOMMENDATIONS OF THE COMMITTEE:

Based on the careful perusal of the information provided by the university and the two days to the university on 29th & 30th July, 2010, though the Committee is not fully impressed with the functioning of this university but keeping in view that this being a young university located in remote area with different type of geographical nature and Government of India Policy to encourage North Eastern States, the Expert Committee recommends the recognition of The Global Open University, Nagaland under Section 2(f) of the UGC Act, 1956.
