Dear Colleagues,

The International Minimal Access Surgery Course will be held at the Health Ministry Göztepe Education and Research Hospital Conference Room between the 16th and 20th of April, 2008 with the help of the World Association of Laparoscopic Surgeons (WALS) and Gynecologic Endoscopy Association (JED).

The course at the Health Ministry Göztepe Training and Education Hospital Conference room will be conducted by Prof. Dr. R. K. Mishra, considered to be one of the world's most talented laparoscopic surgeons and the owner of the Global Medical Education Award. The course will include interactive lectures on basic and intermediate level laparoscopic procedures in gynecology . Laparoscopic suturing techniques will be presented in trainer boxes at the workshops. International Certificates approved by the WALS and JED associations will be given to the course participants.

We will be pleased to see you all at the minimal access surgery course,

Yours sincerely,

Organizing Committee
