

Redefining Laparoscopy for New Trainees in Dubai Healthcare City

World Laparoscopy Hospital, India has opened a branch at Dubai Healthcare City. This new branch of WLH is redefining the Minimal Access Surgery in UAE.

DUBAI HEALTHCARE CITY, DUBAI, July 8, 2017 /EINPresswire.com/ --

Laparoscopic surgery is undoubtedly one of the most effective and successful procedures of today when it comes to the diagnosis and treatment of disorders and problems associated with the abdominal and pelvic organs. Where Laparoscopy has proved its utility, it has become all the more necessary to have more and more professionally trained laparoscopic surgeons. [World Laparoscopy Hospital Dubai](#) gladly announces the inauguration of its training courses for qualified surgeons and gynecologists, held on 25th to 30th of every month.

World Laparoscopy Hospital goes an extra mile in providing the best healthcare facilities to its residents. More than just a hospital, World Laparoscopy Hospital situated in the heart of Dubai Healthcare City is also an institution which provides [training of laparoscopic surgical procedures](#) under the supervision of Dr. R K Mishra. The training courses have been approved and analyzed by the Dubai Health Care Regulatory services and they have ensured the provision of clinical and non-clinical facilities meeting the international standards during these courses. Surgeons, Gynecologists, Urologists all around from the Middle East, Africa, America, Gulf Region, Australia, Asia and Europe are welcome to avail the opportunity and receive laparoscopy training at the World Laparoscopy Hospital Dubai.

“

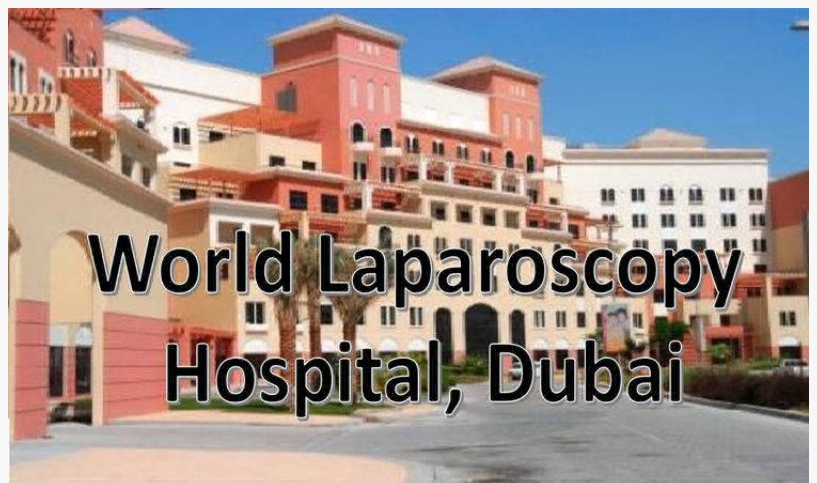

Skilled Surgeon Safer Surgery”

Dr R K Mishra

The training offered by [World Laparoscopy Hospital, Dubai](#) is a certified and licensed health facility which has been acclaimed for its services in the minimally invasive operations

World Laparoscopy Hospital, Dubai

conducted there. The hospital is offering a candidate-centered training and is fully equipped with the state of the art technology. Due to the institution's remarkable docility and facilities, it has been regarded as one of the best training institutions in the world. The hospital is also known for its excellence in laparoscopic and surgical procedures which are carried out with precision and professional skill and accuracy.

The World Laparoscopy Hospital employs the most advanced technology in its training courses and has ultra modern animal labs, dry labs and HD virtual reality platforms. The Course Director is Dr R K Mishra who is one of

the most popular professor of minimal access surgeon in the World. His vision is that every surgeon or gynecologists of the World should learn laparoscopic and robotic surgery

Dr R K Mishra

The training courses conducted at the complex will be a projection of live laparoscopic surgical procedures so as to instill in them a complete knowledge of the process. The training courses are multi-dimensional and expand from theoretical and basic procedural knowledge to most advanced practical implementation of laparoscopy. These training courses at the World Laparoscopy Hospital serve as a wonderful opportunity for medical practitioners who seek to enjoy a progressive medical career in the Middle East. As for the Laparoscopic industry in the UAE, the monetary aspect is also very fruitful for the new surgeons and urologists.

The participants will be awarded a Fellowship degree and CME certificate at the end of the successful completion of the course. The CME awarded by the World Laparoscopy Hospital will assist and support the advancing professional evolution of surgeons, by granting possibilities to enhance and increase their medical expertise.
